Sillers Institute Graduation Requirements for the Following Programs

Business Administration

Network Security

Accounting & Finance

Web Development & Digital Marketing

Construction Technology

Successful course completion at Sillers Institute depends on routinely following the instruction and guidelines provided in the course syllabus. The student's responsibility is to check and become familiar with the course syllabus and requirements at the beginning of each course.

Each lesson will include a lesson review quiz. Students will successfully complete this course by mastering all learning outcomes with 80% or higher overall grade. Students must demonstrate mastery of content at levels of 80% or higher on quizzes and final exams.

Sillers Institute considers a grade of B, which is equal to 80%, as the minimum passing grade for the programs. A grade of C or lower is not considered a passing grade for any course. If the student receives a grade of C or lower for any course, this failed course must be repeated for the student to graduate. Only the grade of the repeated course will be used to calculate the student's cumulative grade point average for graduation, but both the original and repeated courses grades will appear on the student's official transcript. A student may not repeat a failed course more than two times. If a student fails a course three times, he/she will be dismissed from the program.

This course final grade will be based on the following actions and deliverables

- Quality of assignments
- Sufficient participation and feedback in class discussion
- Performance on quizzes, and exams

Letter Grade Assignment

Sillers Institute awards letter grades in recognition of academic achievements in each course. Grades are based upon formative and summative assessments in addition to the instructor's academic judgment if the student has demonstrated a specified level of performance based on objective and subjective evaluations. Students are graded according to their individual activities in the course.

Description	Points

B-	80-82%	Mostly Good Work
C	77-79%	Poor Work/ Not Accepted

**Graded
Feedback**

Letter grades and instructor feedback are posted within 48 hours of submitted assignments.

Distant Learners

The distance education is completely synchronous. All online programs are conducted in real time. Students go through the learning path together, accompanied by their instructor who is able to provide support while students are completing tasks and activities. To access classes, students log on to their student portal using an assigned username and password. Zoom is the meeting software used to meet with instructors and accessed from within the student portal. Instructors lead student through the learning modules structured within the student portal.

To be eligible for program completion status, students must complete 100% number of program hours. Attendance policies stated in this school catalog apply to on campus and distance education learners.

Assignments are instructor led and submitted by the student at the close of lecture. Instructors remain online in the learning platform during quizzes, midterms, and finals to answer students' questions. Distance learners must have access to a stable internet connection to access Zoom, email, student portal, and cloud base applications

All school policies pertaining to admission, attendance, withdrawals, leave of absence, grievances, academic probation, dismissal, student services, and successful completion of programs apply to remote and on campus students.

Student Tuition Recovery Fund

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, Phone (916) 574-8900 or Toll Free (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

It is a state requirement that a student who pays his or her tuition is required to pay a state-imposed assessment for the Student Tuition Recovery Fund.

The Student Tuition Recovery Fund (STRF) is a fund administered by the Bureau for Private Postsecondary Education (Bureau) that relieves or mitigates economic loss suffered by a student while enrolled in a qualifying institution. To file a complaint contact:

Bureau for Private Postsecondary Education at P.O. Box 980818 West Sacramento, CA 95798-0818, (www.bppe.com), (Email: bppe@dca.ca.gov), Phone (916) 574-8900 or Toll Free (888) 370-7589, Fax (916) 263-1897

“REFUND POLICY”

21.) REFUND CALCULATION

Upon a student’s withdrawal, Sillers Institute performs a calculation to determine unearned tuition and return of corresponding funds. Students can obtain a full refund of charges paid through attendance at the first session, or the seventh day after enrollment, whichever is later. Any student may withdraw from the school at any time, after classes start, and receive a pro rata refund calculated based on the remaining scheduled days in the current payment period in the program and based on the last day of attendance. The refund granted will be paid or credited to the student within 45 days of withdrawal.

For the purpose of determining the final amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. The amount for refund equals the daily charge for the program (total educational program charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the remaining number of days scheduled to attend, prior to withdrawal.

A pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

Circumstances for which those amounts are non-refundable includes devices returned damaged. Cost of software is non-refundable.

NOTE: Payments to STRF are non-refundable.

22.) DEFAULT ON A FEDERAL OR STATE LOAN

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan, and or;
- b. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. To cancel the enrollment agreement, withdraw, and receive a refund, the student must submit in writing a request to the Chief Academic Officer and submitted in person or by post by the student. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

The institution shall also refund 100 percent of the amount paid for institutional charges, less reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

Students at Sillers Institute are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.

“STUDENTS RIGHT TO CANCEL”

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

To cancel this enrollment agreement, withdraw, and receive a refund, the student must submit a written request to the Chief Academic Officer at contact@sillersinsitute.com 74710 Hwy 111 Palm Desert, CA 92260

Suite, 102 including in person, by post, or email. Students must also include in the submission the following information:

Student Name
Social Security Number
Date of email
Effective date of Enrollment Agreement cancellation
Contact information: (cell phone; email address; mailing address)
Course name and number

Course Drops and Withdrawals

A student may drop a course the first day of the course session without academic penalty. A course drop during this time does not appear on the student's transcript and does not affect grade point average (GPA).

Note: Please refer to the Academic Calendar in order to verify the last date for a course drop.

A **course drop** applies to one course at a time and does not assume withdrawal from Sillers Institute. Students are responsible for executing course drops by submitting a written request to the Chief Academic Officer at contact@sillersinsitute.com 74710 Hwy 111 Palm Desert, CA 92260 Suite, 102 in person, by post, or email. Students must also include in the submission the following information:

Student Name
Social Security Number
Date of email
Effective date of Enrollment Agreement cancellation
Contact information: (cell phone; email address; mailing address)
Course name and number

If the student has not received a response from the academic officer within three days of the original request, another inquiry should be made by the student to Student Services.

Course withdrawal refers to students formally withdrawing from the course roster after the add/drop period has passed. A withdrawal relates to only one course at a time and does not assume withdrawal from Sillers Institute. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. A course withdrawal differs from a course drop in that the course will be reflected on the student's official transcript and will be included in attempted credits when academic progress is monitored. Students should note the following:

Course withdrawal requests must be in writing and submitted to the Chief Academic Officer at contact@sillersinsitute.com 74710 Hwy 111 Palm Desert, CA 92260 Suite, 102 in person, by post, or email. Students must also include in the submission the following information:

Student Name
Social Security Number
Date of email
Effective date of Enrollment Agreement cancellation

Contact information: (cell phone; email address; mailing address)

Course name and number

If the student has not received a response from the academic officer within three days of the original request, another inquiry should be made by the student to Student Services. The following consequences apply to a student who withdraws from a course:

- The student receives a grade of "W" for the course
- The grade of "W" appears on the student's transcript
- The grade of "W" does not affect GPA, but course credits are included in attempted credits when monitoring academic progress

Students who have not participated in a course, or who may have had minimal participation but show no credit for any graded assessments and have not requested a course drop or course withdrawal will be subject to **Administrative Withdrawal**.

The following consequences apply to a student who is administratively withdrawn from a course:

- The student receives a grade of "W" for the course
- The grade of "W" appears on the student's transcript
- The grade of "W" does not affect GPA, but course credits are included in attempted credits when monitoring academic progress

A student may **withdraw from Sillers Institute** at any time for any reason. Students who wish to withdraw from Sillers Institute must send an email or letter indicating their name and Student ID to Student Services requesting to withdraw. Students submitting a request to withdraw are also asked to indicate their reason for withdrawing from Sillers Institute in the email to Student Services at contact@sillersinstitute.com or send to 74710 Hwy 111 Palm Desert, CA 92260 Suite, 102.

Students who have withdrawn but wish to return to study in the future will be required to **re-apply for admission** and to pay the current Application Processing Fee.

A withdrawal is considered to have occurred on the earlier of (a) the date the student officially notifies the campus of his or her intent to withdraw, or (b) the point at which the student fails to meet the published academic policies outlined in the Academic Catalog ("Date of Determination").

Notice of withdrawal may be given by mail, hand delivery, or email. The written notice of withdrawal need not take any particular form and, however expressed, is effective if it states that a student no longer wishes to be bound by the Enrollment Agreement.

Sillers Institute reserves the right to withdraw a student if, at any time, the student fails to meet the policies as outlined in the Academic Catalog.

23.) LEAVE OF ABSENCE

Sillers Institute may grant, on a limited basis, a leave of absence to students when the student is experiencing extenuating circumstances that prevent attendance and/or challenge academic success.

These circumstances may include: Medical emergencies, family emergencies and other exceptional personal circumstances. The University reserves the right to request supporting documentation from relevant authorities.

A request for a leave of absence must be made in writing, and be emailed to contact@sillersinsitute.com or mailed, or hand delivered to the academic officer at 74710 Hwy 111 Palm Desert, CA 92260 Suite, 102 including:

- Student's full name (First and last name)
- Student ID
- Program name and registered courses
- Reason for the request
- Date of requested leave and the date of return

A leave of absence may only be from the first day of the following term, and students cannot return from a leave of absence in the middle of a term. Students who fail to return to class by the end of their leave of absence will be withdrawn from Sillers Institute. Students granted a leave of absence when on academic probation will return to their studies with the same status.

The time granted for a student's leave of absence will not count against the total time allowed for the program completion. Student Affairs will decide whether to grant the student's request for a leave of absence after investigating the request, the supporting documents and the student's academic history. Sillers Institute decision to grant or refuse a request for a leave of absence will be final and binding.
